Objective

Enthusiastic and detailed oriented Software Testing Fresher with knowledge of Manual Testing, SQL, API Testing, Defect Tracking, and basic Selenium Automation. Skilled in test case design, bug identification, and Software quality validation across web applications. Hands-on experience in Manual and Basic Automation Testing with a strong focus on delivering reliable and high-quality software solutions.

Technical Skills

Manual Testing: Functional, Smoke, Regression, Retesting

Testing Concepts: SDLC, STLC, Defect Life Cycle, Test Cases

Automation: Selenium WebDriver (Basic), Python

API Testing: Postman

Database: SQL, MySQL, PostgreSQL

Tools: JIRA, Git, GitHub, Excel

Web: HTML, CSS

Methodology: Agile Scrum

Education

Master of Computer Application

University Institute of Technology-RGPV, Bhopal, MP

2023 – 2025

CGPA: 7.10

Bachelor of Computer Application

Devi Ahilya Vishwavidyalaya, Indore, MP

2019 – 2022

74.9%

Class XII (CBSE)

JNV, Khandwa

2019

69.8%

Class X (CBSE)

JNV, Khandwa

2017

CGPA: 8.0

Projects

Starlink QA Testing Portfolio 🔄

- * Created Manual, Smoke, Regression, and UI test cases for website validation.
- * Performed API Testing using Postman and validated API responses.
- * Reported defects with severity, priority, and reproduction steps.
- * Developed Selenium WebDriver automation scripts using Python.
- * Tech Stack: Python, Selenium, Postman, Git, GitHub.

SauceDemo Testing Project 🔄

- * Designed and executed test cases for Login, Cart, and Checkout modules.
- * Performed Functional, Smoke, Regression, and Negative Testing.
- * Documented defects and tracked bug status using QA practices.
- * Automated Login and Navigation scenarios using Selenium with Python.
- * Tech Stack: Selenium, Python, JIRA, MS Excel.

Certifications, Achievements & Strengths

Certifications

- Manual Testing
- SQL
- Python
- Selenium Basics

Achievements

- Solved 200+ Coding and SQL Problems
- SQL Practice Projects
- API Testing with Postman
- Web Testing Projects

Strengths

- Attention to Detail
- Problem Solving
- Quick Learner
- Team Collaboration
